

## Le Mans 24 hours – 2009

Well done to the Peugeot team in claiming 1<sup>st</sup> and 2<sup>nd</sup> places at the 77<sup>th</sup> Le Mans 24 hours  
(of course I always knew it was a great car)

Met some of our customers soaking up the atmosphere in the sun with a glass of beer in the Maison Blanche camping area – what a great weekend with the weather staying fine this year. There were loads of wonderful smelling BBQ's, with beers, wines and champagne flowing (yes champagne! we're getting really posh now) saw the start of the [www.Beermountain.com](http://www.Beermountain.com) beer bottle mountain – send me a picture of the end result please, also anyone who would like to share their photos online of the weekend – email me [daphne@justtickets.co.uk](mailto:daphne@justtickets.co.uk)

Hi Guys, said I'd put you on the front page .....
